S.C.A. News

On February 20, 1974, the Appomattox County High School Student Cooperative Association held their regular monthly meeting in the A.C.H.S. auditorium. Patsy Hughes called the meeting to order and Teresa Smith gave devotions. Carolyn Winston called the roll and read the minutes of the last meeting, which were approved. The treasurer's report and a committee report was given. The committee reported that the sale of donuts discussed at the previous meeting had been looked into, but more information was needed before actually starting the sale of donuts.

The club then discussed the S.C.A. State Conference to be held in April. It was decided to try to raise enough money to send two officers and their sponsors from both the High School and the Intermediate School. The officers sent will be the ones elected for the 1974-75 school year. These elections will be held on March 24-29 for a president, vice-president, secretary, and treasurer from the tenth through the twelfth grades, and a parliamentarian, reporter, and chaplain from the ninth and tenth grades. A committee of Patti Clements, Teresa McGuire, Kay Robinson, and Chris Gallier was formed for raising funds to send representatives to the state conference.

It was discussed that next year S.C.A. representatives will be from the various clubs and not homerooms. Following this discussion, the meeting was adjourned.
